ARaymond Energies develops clipped fastening and grounding solutions for solar panels. Our robust metal clips take advantage of the spring- steel for ease-of-use and robust performance.

ARaymond Energies develops clipped fastening and grounding solutions for solar panels. Our robust metal clips take advantage of the spring- steel for ease-of-use

ARaymond"s panel clips simplify PV module assembly. They provide fast, easy installation in field operations, resulting in significant labor cost reduction compared to nuts and bolts.

ARaymond Energies brings decades of know-how meeting and exceeding the fastening and assembly demands of the automotive industry to bring you specialty PV solar panel hardware and fastening

The core business of the ARaymond group, a leader in fastening and assembly solutions, is to design and produce smart and easy-to-assemble clipping solutions. ARaymond

En medio de este escenario de crecimiento exponencial de los proyectos fotovoltaicos, un punto que destaca es cuando sumamos los paneles y sus estructuras de fijación. Incluso existen equipos que

ARaymond Energies brings decades of know-how meeting and exceeding the fastening and assembly demands of the automotive industry to bring you

En este contexto, las soluciones de ARaymond se establecen como la opción ideal, ofreciendo tecnología que simplifica la instalación, garantiza la seguridad y reduce significativamente los costos

Nuestros clips patentados aumentan la rentabilidad de los proyectos solares, puesto que permiten ensamblar los paneles fotovoltaicos sin la necesidad de tornillos o remaches, reduciendo la

ARaymond Energies designs and manufactures PV solar fastening, grounding, and assembly hardware. Learn more about our solutions for ground-mount, rooftop, carport, and floating

The core business of the ARaymond group, a leader in fastening and assembly solutions, is to design and produce smart and easy-to

With offices on every continent, ARaymond Energies draws on deep knowledge of local solar energy markets around the globe to create the fastening assembly solutions you need. Whether you are

ARaymond's panel clips simplify PV module assembly. They provide fast, easy installation in field operations, resulting in significant labor cost reduction
